

Pathfinder (Research Tools): Native North American Culture Regions

onlinelibrary.uen.org →

1. Gale Research in Context Grades 6-8 →
 - “Cultures” –or–
 - “U.S. History” –or–
 - Search Bar (e.g., “Great Basin Native Americans”)

Scroll to the bottom of the article or click on “citation tools” to correctly site your information. Compile this information into one document that you will add to as you research.

2. World Book Encyclopedia →
 - “Student” box →
 - Search Bar

Again, scroll to the bottom of the article to find the citation information.

3. Culture Grams →
 - “States Edition” →
 - Click a state in your region →
 - Click “Native America” in the “People” section of the left-hand menu bar

Find citation information by clicking “MLA” in the upper right corner of the page.

4. eThemes →
 - Use the search bar and keep your search general (e.g., “Mohawk”)

To access the Utah's Online Library from home:

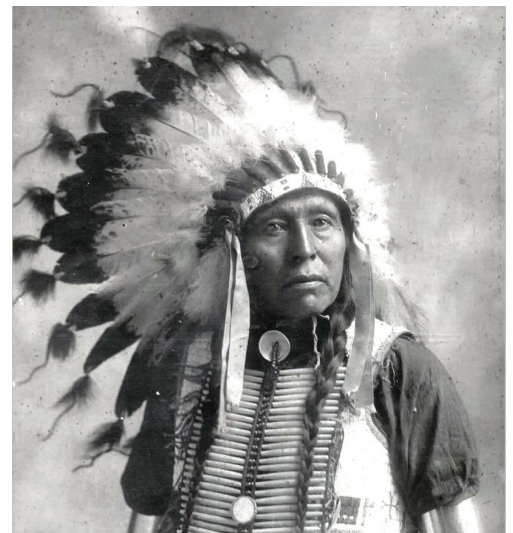

Login Name: **online**

Password: **research**

destiny.canyonsdistrict.org →

Click on **WebPath Express** in the left hand column menu bar. →

- Search Bar (e.g., “Cherokee”)
- First this will bring up some great, valid, academic websites you can fish through, but if you then click on →
- “Titles” (in the upper right hand corner, next to “Websites”)
–or–
- From the Destiny main page, search the books in the library through the “Library Search” tab.

nmai.si.edu (National Museum of the American Indian) →

- Collections →
- Search Online Collections →
- Peoples/Cultures →
- Click on your specific region of study
