

PASSPORT TO SUMMER READING

- Read any **FIVE** books you want this summer and fill out this reading passport.
- If you lose or need a new passport, print a "Summer Reading Passport" from our library website or pick one up from your ELA teacher in September.
www.albionmiddlelibrary.weebly.com → "Book Club and Summer Reading" link
- Next August, bring your completed passport to school. Turn it in to the library or to your Language Arts teacher.
- Those with completed passports will be invited to a party in September with prizes, refreshments, and games!
- Remember, you can check out e-books and audio books all summer long from the Albion Library using the **free SORA** app. Just use your standard school login to access the app's books (the login you use at school to access the computers). When it asks you the name of your school, look up "Canyons School District" (instead of Albion).
- Read *Game Changer* by Tommy Greenwald for our September book club, and consider joining our Battle of the Books Team as well!
